

SBPS ORGANISES AN ONLINE CARTOON MAKING SESSION

The history of drawing is as old as the history of humankind. People drew pictures even before they learnt how to write.

Keeping this in mind, the students of SBPS participated in a four- day online cartoon making session organised from 5th to 8th May,2020. The session was conducted by the renowned cartoon artist Mr Subhendu Sarkar and it was for the pupils of grade VIII and above. The aim of this session was to nurture the budding artists, enhance their thinking as well as creative skills. On the first day of the session, they learnt to make cartoons through different alphabets of English. On the second day, they learnt how to depict different emotional expressions and gestures through art. The third day was devoted for the training of the motion - cartoon session and on the fourth day, the students learnt to make animal characters. It was a delightful experience for the young stars to learn such productive thing even being at their home.

The Head Personnel and Admin Mr. Pradip Varma was elated with such innovative ideas of training the students.

Principal Mrs. Paramjit Kaur said that we, at SBPS are trying to take all possible ways to make the lockdown productive and such sessions will surely help the students to enhance their latent talent even while they are sitting at home.
