

Workshop on Development of Soft Skills for our Supporting Staff @SBPS

With an objective to develop proper communication skills among the supporting staff, SBPS organized a workshop on development of Soft Skills in the school premises. They were guided on how to maintain proper etiquette while they interact with parents, students and other staff members. They were also taught the basic English speaking skills so that they can effectively use it while conversing with the students and their parents. They were also briefed about the importance of maintaining proper health, hygiene and safety.

School Head Personnel & Admin. Mr. Pradip Varma said that SBPS aims towards a constructive development of all staff members and such workshops help to ensure the same.

Principal Mrs. Paramjit Kaur said that SBPS always renders learning opportunities to all and by such workshops even our supporting staffs will depict decorum in their working environment.
