I. Answer the following questions:-

Q1. Why does Rohit's father want to withdraw him from the school and make him work in the field?

Ans. Rohit's father was a poor farmer and did not earn enough to afford Rohit's education anymore. So, he wanted to withdraw Rohit from the school and make him work in the field.

Q2. If Rohit is poor in studies, why does he not want to leave his school?

Ans. Rohit was poor in studies, but he did not want to leave his school because he knew if he had to be successful in life it was necessary for him to study.

Q3. How does Rohit persuade his father to allow him to go to school?

Ans. Rohit persuaded his father to allow him to go to school by promising that he will study hard and work in his free time to earn enough money to pay for his education.

Q4. What does Rohit do to earn extra money for his education and other needs?

Ans. Rohit started doing two jobs, one as a newspaper seller and other as a car mechanic to earn extra money for his education and other needs.

Q5. How do his part-time jobs help Rohit in his career later? What does he finally become?

Ans. Rohit's part-time job as a car mechanic helped him to enhance his skills to understand a mechanic's work.

He finally became a mechanical engineer.
