

WEBINAR ON CYBER SAFETY @ SBPS RANCHI

With this ongoing pandemic, technology is playing a predominant role in imparting education. Children these days are so much into social media that cyber safety is becoming even more important. To help the students know how to protect themselves from cyber bullying and other threats, Sarala Birla Public School, Ranchi organized a webinar under the series Jal-Tarang for the students of class IX pertaining to Cyber Safety and security.

Mrs. Rupa Verma, Chairperson CWC, Ranchi, Mrs. Tanusri Sarkar, member CWC, Ranchi and Dr. Manisha Kiran, Associate Professor and Head, Department of Psychiatric Social Work, RINPAS were the key speakers. They acquainted the students with the looming cyber threats and the laws that protect them. They were even enlightened about the repercussions of cyber bullying and other related activities. The students participated in the webinar with great enthusiasm and clarified their doubts.

The School Head Personnel and Admin Mr. Pradip Varma appreciated the move from the school's end.

Principal Mrs. Paramjit Kaur said, use of technology is of paramount importance these days. So, the students should be aware of the potential cyber threats and the ways to mitigate them.
