

## **SBPS Organises Experiential Learning Trip for class XII**

“Experiential education first immerses learners in an experience and then encourages reflection about the experience to develop new skills, new attitudes, or new ways of thinking.”

With the aim to develop inter- personal skills, an experiential learning trip was organised for the students of grade XII to Wave International resort. It was a bright sunny day on August 10th, 2019 when all the students were seen excited to go for the much-awaited trip. The students enjoyed in the buses and sang energetically all along. Various activities were organised for the pupils on reaching the destination which included games, dancing and singing.

The children enjoyed the day to the fullest and created beautiful memories to be cherished by them for a long time to come. The laughter and joy that was witnessed among the children is beyond words. The picnic was a much-needed break from the regular schedule of the students in school and the children made the best out of the day.

School Head Personnel & Admin. Mr. Pradip Varma said that Well-planned class trips are a fun way to get out of the classroom, reinforce academic concepts, and revitalise students’ relationships with schooling.

Principal Mrs. Paramjit Kaur said that lounging in the bright sunlight allows the students to ease up and reduce stress and anxiety related to studies. The school endeavours to provide such opportunities to the students so that they develop a sense of camaraderie and after rejuvenating they can perform better
