Please ensure that the tiffin box you send to school can be easily opened by your child. **Two napkins**, a spoon and fork should also be given. 11. Language foundation is laid at home. Teach your child the value of speech, the art of conversation and listening. School reading schemes need to be reinforced with cozy reading sessions at home that will develop a thirst for books. It will take a lot of effort to get your child become an avid reader but will be well worth the effort in the long run.

15. Please do not send your child to school if he/she is sick as there is a high risk of cross infection. If your child feels unwell in the school, you will be intimated.
16. The syllabus is given to the child at the beginning of the session to keep you informed the courses of studies to be covered during the session. This also helps you reinforce school work at home. Please keep this handy and check it everyday.
17. There will be four Periodic Tests as mentioned in the diary. Please follow the schedule and syllabus for the portion.

You are the greatest influence in your child's life. No one knows and cares for your child more than you do. The school is a natural extension of home. The teachers and parents play a complementary role, acting in partnership to support and develop the child.
