

REFLECTION OF LEARNING (OUTCOMES)

This assignment on Counseling Laboratory TM with students gave me an opportunity to practice and apply all the theories and strategies I had learnt so far. It provided me authentic hands-on experience. Some of the reflections of my learning from this assignment: -

- Fundamental difference between career counselling and career guidance
- Overview of New Age Career paths for 21st Century learners
- Career Counselling Process Flow
- Career Analysis & Career Counselling for 8th to 10th Grade learners
- Career Analysis & Career Counselling for 11th And 12th Grade Students
- Understanding college selection criteria
- How to find out suitable College/Universities in the destination nation
- How to prepare admission plan and career roadmap for the candidates
- Learnt core methodology and analysis behind the career assessment to find a most suitable career path for the candidate.
- Fine-tuned and enhanced my:
 - ❖ Problem solving skill
 - ❖ Interpersonal skill
 - ❖ Communication skill
 - ❖ Organisational skill
 - ❖ Teamwork skill
 - ❖ Crisis management
 - ❖ Guidance and support
