Subject : English

Q1. Read the following passage and answer the questions:

In a sunny garden, a group of ants was busy collecting food. They worked together to carry small pieces of bread and leaves back to their nest. Each ant had a special job: some found food, while others cleaned the nest. The queen ant watched over them, ensuring everything ran smoothly. One little ant, named Timmy, was new and wanted to help. He followed the other ants and learned how to work as a team. Soon, he became an important part of the colony. The ants showed that when everyone helps, they can achieve great things together!
